

Round Britain Coastal Drive

Monday 17 September – Friday 5 October 2018

In Autumn, 2018, Jaguar E-types will once again be driving around the coast of Great Britain - relay fashion - in support of Prostate Cancer UK. Covering an approximate overall distance of 3,600 miles, most stages will comprise one day and an average daily drive of 200 miles.

This year, however, the full Drive will consist of 19 days rather than 18. This enables us to include two shorter days around Edinburgh, which allows those doing all stages (or at least a hefty chunk of them) some time to relax and recharge.

The introduction of these two shorter days means that we have two pricing structures for entry. Please read the details below carefully and follow the steps to select your stages. (All prices include VAT).

STEP 1

If your first stage will be 1-8 or 11-19, entry will be £140 which includes participation in **one** full stage. In this case, please select your first stage from the table below:

17/9	1 Tenby to Portmeirion	18/9	2 Portmeirion to Lytham St Annes	19/9	3 Lytham St Annes to Workington
20/9	4 Workington to Ayr	21/9	5 Ayr to Plockton	22/9	6 Plockton to Kinlochbervie

4/10	18 St Ives to Bridgwater	5/10	19 Bridgwater to Tenby		

OR

STEP 2
