

## Jaguar XK Club 2019 ROUND BRITAIN COASTAL DRIVE, supporting Prostate Cancer UK

**16<sup>th</sup> September – 3<sup>rd</sup> October, 2019**

This Autumn, classic Jaguar XKs will once more be taking to the roads in support of our favourite charity, Prostate Cancer UK.

In the three years since the Drive first took place, over £200,000 has been raised towards combating prostate cancer and supporting those affected, and we are delighted to be able to announce our second drive for Jaguar XKs.

Philip Porter, International XK Club founder, and architect of the Round Britain Coastal Drive has this to say...

"It's amazing to think we will be running this unique event for a fourth year, thanks to the formula working so well for this great charity and our wonderful fund-raising crews. Our lap times are coming down!"

You are invited to take part in one stage, several stages or all 18 stages. Participants on Stage One will be flagged away from the National Motor Museum at Beaulieu on the morning of Monday 16<sup>th</sup> September and Stage 18 will end in the New Forest on Thursday 3<sup>rd</sup> October.

- **Entry fee:** This includes VAT but does not include Dinners or Accommodation – details of these are below
- **Mobile Numbers:** On booking we ask for your mobile phone number. We will circulate these numbers nearer the stage date to your fellow Stage participants. This allows people to more easily arrange to travel together, meet for lunch or sight-seeing and for the tour hosts to alert you to any roadworks, programme changes etc. If you do not wish your mobile number to be circulated, please do let us know
- **Fundraising:** We have set up a dedicated JustGiving page where you and your supporters can donate directly to the cause. You will also be able to set up a 'Team Page' (which is a little like an online sponsor form). Full information and instructions is available on the Round Britain Coastal Drive website
